

भामाशाह योजना

With the objectives of financial inclusion and to empower the women of state, the Bhamashah Scheme launched in 2008. Bhamashah scheme, is an end to end service delivery platform to the direct beneficiary in a transparent manner. This scheme is a family based program with financial inclusion. Each family issued a “Bhamashah Card”. The Bhamashah Card is linked to bank account of women who is head of family. Multiple benefits can be accessed through “Bhamashah Card” such as PDS, JSY, Scholarship, MNREGA Scheme, Pension etc. For the bhamashah enrollment the enrollment software have been developed. The citizen can directly applied for enrollment on Bhamashah Portal. Emitra center also have been declared as a “Permanent Enrollment Center”.

Benefits of Scheme

- 1- Ensuring empowerment of women.
- 2- Financial inclusion for all sections of the society.
- 3- End to end service delivery platform for cash and non-cash benefits.
- 4- Home banking services to citizens.
- 5- Includes family and individual beneficiary scheme.

ई-मित्रा

E-Mitra is an ambitious E-governance initiative of Government of Rajasthan which is being implemented in state using Public-Private Partnership (PPP) model for convenience and transparency to citizens in availing various services of the Government and Private Sectors under a single roof at their door steps using an e- platform. The services are delivered via counters known as Common Service Center kiosks in Rural Areas and e-Mitra kiosks in urban areas. The citizen can also use E-mitra services Online. These counters provide services related to various departments in an integrated and easily accessible manner to people residing in rural as well as urban areas without any need for running around in government offices. Recently, a new module has been introduced to E-Mitra portal which allows end to end application and delivery of "Digitally Signed Certificates" such as Bonafide, Caste, Income, etc.

माइक्रो एटीएम

The Micro ATMs are Point of Sale (PoS) Devices that work with minimal power, connect to

central banking servers through GPRS system, thereby reducing the operational costs considerably. The micro ATM solution enables the unbanked rural people to easily access micro banking services in a very effective manner. Installing ATMs in rural areas is unviable for banks due to the lower number of accounts, low volume of transactions, low value of transactions and high cost of setting up an ATM. Micro ATMs is a one stop solution for banks to bring ATM services to the unbanked rural areas.

The micro ATMs machine is a cost effective, support vernacular language with inbuilt biometric authentication that helps the banks to achieve total financial inclusion in real terms.

The Government of Rajasthan has distributed Micro ATM machines to E-Mitra kiosk and pay point to provide banking services in rural areas. In Bhilwara district there are 485 machine have distributed to E-mitra for banking services.

आधार

The Unique Identification Authority of India (UIDAI) is a central government agency of India. The main objective is to collect the Biometric and demographic data of residents, store them in a centralized database, and issue a 12-digit unique identity number called Aadhaar to each person or resident. The number is linked to the resident's basic demographic and biometric information such as photograph, fingerprints and two iris scans, which are stored in a centralized database. Aadhaar program was launched in 2009 with a main objective to give universal identity to every resident Indian. In addition to this it will help in reducing the corruption since every individual carries only one unique number.

The Government of Rajasthan has linked aadhar to many schemes like Bhamashah, PDS, Banking, GAS etc.

Benefits --

- LPG Subsidy:- The 12 digit individual identification number on Aadhar card is used to get LPG subsidy amount directly in the bank account. This DBTL scheme is named as PAHAL. To get this benefit you need to visit your area's distributor and get Aadhar number linked to the 17 digit LPG consumer number.

- Jan Dhan Yojana: The scheme Pradhan Mantri Jan Dhan Yojana (PMJDY) accepts Aadhaar card/number as the only document sufficient to open the bank account. The benefits offered are RuPay card, free zero balance savings account, life and accident insurance and many others.
- Digital Locker: Government of India has launched digital locker (DigiLocker) system for everyone for storing all personal documents on the government's server. This digital locker is works on 12 digit aadhar card number.
- Voter ID Card Linking: The Aadhar card also have linked to voter ID's. it will eliminate bogus voters.
- Pension Scheme: All the pensioners from select states will now have to register their Aadhaar card number to their respective department in order to receive

राजस्थान सम्पर्क

Government of Rajasthan is dedicated to bring in transformation in the way of citizen centric governance in the state. For this the government of Rajasthan has been continuously striving to bring in excellence in citizen service delivery by ensuring transparency and minimizing grievances. As an initiation to ensure proper service to the citizen, a project named "Rajasthan Sampark" has been implemented through Department of IT and Communications. The project paves the way for a common man to reach the departments of the State Government for their queries and concerns, with the help of Information Communication and Technology (ICT) Interventions.

"Rajasthan Sampark" aims towards providing citizens with a centralized platform where any citizen of the state can lodge his/ her grievances to the respective departments. It primarily consists of a State level Call Center with integrated web portal which will act as a single point of contact for addressing and redressing various citizen queries and grievances related to government services. Citizens can lodge their grievances against any government department/ office through this portal and the grievance will further be sent to the respective office/ department for redressal.

Through Rajasthan Sampark, Government of Rajasthan intends to achieve all important aspects of good governance viz. Robust Delivery System, Transparency, Communication, Grievance Redressal and Sensitivity towards citizens.
